3. Important Dates in Palestine's History

This workshop provides a comprehensive overview of key historical dates that are necessary to know for anyone interested in learning about and advocating for Palestine. The entire workshop's timeline begins after the Ottoman Empire rule and goes up until events that took place in June of 2021. Participants will leave the workshop with a new historical perspective on events they may have already known about and will learn about dates often overlooked or forgotten.

- **Full workshop includes history from 1917-present day: 3 hours**
- **Accommodated to focus on specific time period: 1 hour**
