

## 4. Refugees, Diaspora, and the Right of Return

The goal of this workshop is to (re)define and complicate terms such as refugees and diaspora and undo the often negative stereotype associated with Arab refugees or migration. We tie both into the greater Palestinian conversation and goal of freely returning to the homeland by explaining what the right of return means, and why it is important.

- **Full workshop: 2 hours**
- **Refugees and Diaspora only: 1 hour**
- **Right of Return only: 1 hour**
