

## 6. An Overview of the Palestinian Struggle Today

Through a mix of a historical and contemporary timeline, this workshop aims to contextualize the Palestinian struggle and lived experience by understanding how key historical moments have shaped the Palestinian reality today. The workshop also aims to tie Palestine into larger, global social justice conversations.

- **Full workshop includes history & present day: 2 hours**
- **Contextualizing present day only: 1 to 1.5 hour(s)**
