

10. Communities in Solidarity with the Palestinian Struggle

This workshop focuses on the intersection between Palestinian Liberation and immigrant justice: participants will learn about the history of the Palestinian Struggle and its interconnectedness with various social justice movements. From the fight for indigenous rights, and struggle against state-sanctioned violence against our communities, to the fight for a pathway to citizenship and driver's licenses for all in NJ, both movements fight for liberation and justice.

- **Full workshop includes solidarity from/with Black, Indigenous, and Latinx communities: 2 hours**
- **Accommodated to focus on one of the above communities: 1 hour**
